Dear Mr. Ridout, —

I hope this is alright.

I have tried to get the cheque from my niece for the brush and comb.

She was on holidays for two weeks, then she went to a new apartment in Hamilton. I only got the address this week, so haven't heard from her.

I will try to get it for you soon.

I took those boards out of the closet downstairs at Kathleen's. They weren't fastened to the house in any way. I just set them in, I hope it was alright.

Thankyou very much for all your kindness.

Sincerely — Eva Jones.
